

FOUR SECTORS WE MAKE VISIBLE.

Website-ready sector positioning for Bystander's Work segment - built around the brand's outcome-based PR and visibility proposition.

01	STARTUPS & TECH
02	FASHION, BEAUTY & D2C
03	CREATORS, ARTISTS & CULTURE
04	FOUNDERS, EXECUTIVES & PERSONAL BRANDS

PR THAT HITS DIFFERENT.

STARTUPS & TECH

Turn the company you're building into the company everyone's talking about.

For startups, AI companies, SaaS brands and ambitious founders, visibility is more than awareness. It's credibility for investors, customers, talent and the market.

Bystander builds founder narratives, launch stories, milestone campaigns and category authority designed to make emerging companies look established before everyone else catches on.

WE HELP WITH

Founder PR / Fundraising Visibility / Product Launches / AI & Tech PR / Thought Leadership / Category Building

THE OUTCOME

More authority. Better search presence. Stronger third-party proof. A company that looks as serious online as it is behind the scenes.

PR THAT HITS DIFFERENT.

FASHION, BEAUTY & D2C

Great products get bought. Great brands get talked about.

Bystander helps fashion, beauty, wellness, lifestyle and D2C brands turn products into stories people actually want to discover.

From founder profiles and launch moments to cultural positioning and media features, we build the credibility layer between your Instagram feed and becoming a recognised brand.

WE HELP WITH

Brand Launches / Founder Stories / Product PR / Fashion & Beauty Media / Cultural Campaigns / Brand Positioning

THE OUTCOME

More buzz around launches. More reasons to trust the brand. More proof for customers, partners and retailers.

DON'T JUST LAUNCH. LAND.

CREATORS, ARTISTS & CULTURE

Followers make you popular. Third-party credibility makes you undeniable.

Bystander works with creators, artists, musicians and internet personalities ready to build a reputation bigger than their social following.

We turn digital momentum into media narratives - building the interviews, profiles, cultural stories and visibility that move a name from the feed into the wider conversation.

WE HELP WITH

Creator PR / Artist Profiles / Personal Branding / Launch Campaigns / Interviews / Cultural Positioning

THE OUTCOME

Mainstream legitimacy. Stronger brand-partnership credibility. Better search results. A public story that exists beyond your own platforms.

BE MORE THAN THE ALGORITHM.

FOUNDERS, EXECUTIVES & PERSONAL BRANDS

Your reputation should enter the room before you do.

For founders, executives, consultants and ambitious personal brands, Bystander builds the public authority behind the name.

We develop narratives, thought-leadership angles and media opportunities that position you as someone worth quoting, following, hiring, inviting and doing business with.

WE HELP WITH

Personal PR / Executive Profiling / Founder Positioning / Thought Leadership / Search Authority / Industry Recognition

THE OUTCOME

A stronger Google footprint. More credible third-party validation. Better positioning for speaking, partnerships, sales, boards and opportunities.

MAKE YOUR NAME MEAN SOMETHING.
